

Scalable power, slim design

OptiPlex Small Form Factor

Intel® Core™ processors (14th Gen) [Gen ID: 7020]
Most secure,¹ intelligent² and manageable³ commercial PC

Most intelligent commercial PC with Dell Optimizer²

Only Dell uses built-in AI to optimize applications. Experience new Audio enhancements that adjust loudness, cancel out noise, and eliminates echoes.

Responsive, secure business-class performance

An Intel vPro[®] platform featuring up to Intel[®] Core™ i9 65W processors (14th Gen), with hybrid architecture, automates workload allocation for more multi-tasking productivity.

Fast and efficient³

Speed up boot times, application responsiveness and device performance & charging.

100% SSD (boot drive) | up to 126GB DDR5 Memory | USB-C (standard front panel)

Designed and tested with an intelligent ecosystem

Small Form Factor is compatible with a wide array of #1 world-wide Dell Displays⁴ and AI-enhanced collaboration accessories.

Industry's most manageable commercial PC⁶

Boosts IT efficiency and cost-effectiveness when managing a fleet of PCs.

Includes Dell's seamless delivery of the latest validated BIOS, drivers, and firmware version.

Leader in reliability

Less than 1% of OptiPlex desktops experience a first-year service event⁵.

Certified parts and upgrades only from Dell.

Shrinking our carbon footprint

Work in new Quiet mode, for enhanced energy-conservation and up to 39% quieter acoustics for your PC.⁷

EPEAT Climate+ Champion, EPEAT[®] Gold, EnergyStar[®], and TCO Gen 9 Certified¹².

Sustainably built with:

- Up to 39% Post-consumer recycled plastic⁸
- Up to 50% Post-industrial recycled steel⁹
- At least 90% Recycled or renewable packaging¹⁰ and Dell Multi-pack¹¹

Industry's most secure commercial PC¹, only Dell:

Offers off-host BIOS verification and Indicators of Attack to reduce exposure to future threats.

Integrates PC telemetry with industry-leading software to improve fleet-wide security.

Secured Component Verification

offered only by Dell,¹ ensures PCs are secure from factory to first boot.

Sustainable innovation

OptiPlex is passionate about reducing our products' carbon footprint and helping our customers make an impact on the future. Committed to circular design throughout the lifecycle, we're driving the innovative use of materials, packaging, energy conservation, recycling and even reparability.

A look inside: Post-industrial recycled steel

Sustainable materials

OptiPlex Small Form Factor is built with up to **39%** Post-consumer recycled plastic (PCR) and closed loop ITE derived plastic.¹

And now select chassis contain up to **50%** Post-industrial recycled steel.²

Packaging

OptiPlex Small Form Factor ships in packaging made with at least **90%** recycled, recycled or renewable content³ to reduce our logistical footprint. Select desktops are also eligible for multipack shipping which helps reduce packaging and transportation waste⁴. Multipack packaging is designed with **100%** recycled or renewable corrugate.⁵

Eco-labels

Sharing eco-label certifications help our customers make informed, sustainable IT purchase decisions. OptiPlex Small Form Factor is registered EPEAT Gold with Climate+ designation, meeting the industry's best practices for decarbonization.⁶

Efficient & Reliable

The Small Form Factor is designed with high-quality components to maximize performance and energy efficiency. Customize your PC thermal/fan settings with a choice of Optimized "performance" mode, or Quiet mode, for up to **39%** quieter acoustics and reduced energy consumption.⁸ And Dell makes it simple to access and replace parts to get the most life out of our products.

Responsible IT Asset Retirement

Asset Recovery Services makes it easy for our customers to retire legacy equipment securely and responsibly, regardless of brand. Prioritizing material reuse lets us extend the product lifecycle and maximize value return. The outcome is a seamless transition from old to new technology, that protects both your business and the planet.⁷

EPEAT Gold, ENERGY STAR® and TCO 9.0 certifications available⁶

AI-enabled solutions from Dell

Transform work with new levels of productivity

Powering the world's most intelligent commercial PC's¹

Built-in AI from Dell Optimizer, with advanced privacy features, optimizes audio, connectivity, performance and configurability, all in one software.

Experience clearer, more productive conference calls. Your PC's sound, mic and network performance is optimized discreetly by Dell Optimizer, so you can stay confidently engaged in meetings.

Minimize user downtime and IT admin hours³

Rely on the AI-driven technology of ProSupport Suite for PCs to automate support tasks, detect and deploy fixes and generate security scores for your fleet.

[Learn More >](#)

Accelerate business success with AI-powered multi-tasking

With features like Copilot in Windows², get better answers, grow your skills, and effortlessly optimize workflows.

Windows 11 Pro on Dell PCs come with the latest advances in security and AI delivered conveniently to your desktop.

Help combat advanced threats with foundational security

Only Dell provides firmware-level threat detection integration via third-party security consoles* with AI-powered capabilities, e.g., CrowdStrike and Carbon Black.**

[Learn More >](#)

¹Based on Dell internal analysis, September 2023. Applicable to PCs on Intel processors. Not all features available with all PCs. Additional purchase required for some features.
²Integrations available for CrowdStrike Falcon Insight XDR and Carbon Black Audit & Remediation.

Uplevel your PC experience

With Dell Displays and Accessories, designed and tested to work *Better Together*

D

D Dell UltraSharp 24 Monitor - U2424H

World's 1st 4-star certified Eye Comfort Monitors² deliver a seamless, multi-monitor set up.

Peace of mind

Dell Monitors offer the same level of quality, reliability and support our customers expect with Dell PC's. Upgrade to 24x7 specialized technical phone support with the optional Dell ProSupport for monitors.³

Easy management. Max productivity.

Customize your entire workspace, simplify management and enhance privacy with Dell Display Manager and Dell Peripheral Manager.

A

A Dell Pro Wireless Keyboard and Mouse - KM5221W

Stay emerged in distraction-free work, with a long battery life up to 36 months.⁷

B

B Dell Premier Wireless ANC Headset - WL7024

Stay focused anywhere on the world's most intelligent wireless headset in its class.⁵

C

C Dell UltraSharp Webcam - WB7022

Experience the best image quality in its class with the world's most intelligent 4K webcam.⁶

Future of Work ready

Secure your workspace with OptiPlex Small Form Factor Lockable Cable Cover or All-in-One Stand.

Discover 200+ branded accessories to keep you connected and collaborative no matter your work style.

Extend the life and performance of your PC Dell Parts & Upgrades are certified to work with your Small Form Factor. [Learn more](#)

Simplify IT

Our most secure¹ and manageable⁵ offerings make IT management a breeze

SECURITY

Improve fleet-wide security with multiple layers of defense

Reduce the attack surface and enhance long-term cyber resilience with [Dell Trusted Workspace](#)

Dell offers the industry's most secure commercial PCs¹ with protections competitors cannot match:

Be secure from first boot

Rigorous, state-of-the-art supply chain controls and Dell-unique Secured Component Verification reduce the risk of product tampering.

Spot ticking timebombs

Early-alert feature Indicators of Attack, offered only by Dell, scans for behavior-based threats.

Stay protected from evolving threats

Only Dell offers off-host BIOS and firmware verification, providing greater security than other PCs. The latest Intel vPro[®]-based PCs provide an estimated 70% attack surface reduction.⁵

Layer on advanced threat protection with software from our ecosystem of best-of-breed partners.

Only Dell integrates device telemetry¹ with industry-leading software to improve fleet-wide security.⁴

MANAGEABILITY

Manage your fleet of PCs - reliably and easily

Help secure and optimize your endpoints and deliver end-user productivity with [Dell Manageability Solutions](#)

[Dell Trusted Update Experience](#) makes it simple to update endpoints, packing the latest BIOS, driver, and firmware version. Dell is the only Top-5 PC vendor that:

Publishes² a device drivers and downloads release schedule:

IT Admins can deploy fleet-wide device updates on a predictable timeline.

Performs³ integrated validation of all driver and BIOS modules in an update:

IT Admins can expect a trusted, system compatible update deployment, across a fleet of devices.

Dell has the industry's first:⁶

Binary Large Object (BLOB) package-based solution using Microsoft Intune

Systems Management Solution to integrate with Workspace ONE

Hardware OEM systems management solution to integrate with Intel vPro[®]

[Learn More >](#)

One BIOS

OptiPlex facilitates easy maintenance with a single BIOS across new Micro, Small Form Factor and Tower configurations and a single BIOS for All-in-Ones.

Legacy, scale and innovation

Dell Technologies is your trusted partner for the future of work

Dell Technologies APEX

1st

and most comprehensive¹
As-a-service portfolio that spans from multi-cloud to client devices.

Experience the flexibility to transform your IT and deploy the latest technologies at predictable costs.

Dell APEX PC-as-a-Service

Fully customizable subscription covers everything - devices, software and services; available from one-to-five-year terms.

Dell APEX Managed Device Service

Fully managed, subscription with a team of IT experts to keep business devices up-to-date and secure; and no year-long commitment (US only).

ONE OptiPlex Small Form Factor

TWO base configuration options*

Feature	OptiPlex Small Form Factor Plus	OptiPlex Small Form Factor
Processor	Up to Intel® Core™ i9 processors (14th gen) (65-Watt) Master your resource-demanding/graphic intense workloads, with library quiet performance	Up to Intel® Core™ i5 processors (12th and 14th gen) (65-Watt) for mainstream business computing
Size	7.9L chassis has more ports than the micro and more space-conscious than the tower	
Memory	Up to 128GB DDR5 memory, 4 slots	Up to 64GB DDR5 memory, 2 slots
Storage	3 M.2 SSD along with hard drive bays for data storage	1 M.2 SSD along with hard drive bays for data storage
Native USB ports	10 USB ports with 1 USB-C 3.2 Gen 2x2 port (20 Gbps) (data only)	8 USB ports with 1 USB-C 3.2 Gen 1 port (5 Gbps) (data only)
Native video ports	3 DisplayPort 1.4a ports supporting up to 4K resolution at 60 Hz**	1 DisplayPort 1.4a port supporting up to 4K resolution at 60 Hz** 1 HDMI 1.4b port supporting up to FHD resolution.
Additional features	2 PCIe slots to expand functionality 1 M.2 slot for Wi-Fi and Bluetooth card for wireless peripherals connectivity Optional optical drive	2 PCIe slots to expand functionality 1 M.2 slot for Wi-Fi and Bluetooth card for wireless peripherals connectivity Optional optical drive
New use of recycled steel	Contains up to 50% post-industrial recycled steel	
New Thermal Management	New User Selectable Thermal Table (USTT), designed for quieter and cooler experience	
Service Base	3 years	1 year

*Base configuration determines the set of customizable features available for this PC.

**Supports up to 4 monitors. Option to choose Advanced Customization for add-on port.

Leading the industry in sustainable practices to reduce the environmental impact of our products and packaging.

Learn more: <https://www.dell.com/en-us/lp/dt/sustainable-devices>

FEATURE	TECHNICAL SPECIFICATION	DESCRIPTION
MODEL NUMBER ¹	OptiPlex Small Form Factor Plus and OptiPlex Small Form Factor	
SUSTAINABLE MATERIALS ¹	Post-consumer recycled plastic (PCR) and closed loop ITE derived plastic - chassis Small Form Factor Plus: 39.1% Small Form Factor: 38.9%	Post-consumer recycled plastic is plastic waste generated by households, industrial, commercial or institutions repurposed in the desktop design. Closed loop plastic is reclaimed plastic from any disposed IT product repurposed in the desktop design.
	Recycled ocean-bound plastic: N/A	Ocean-bound plastic is collected within 50km (30mi) distance of an ocean coastline or major waterway that feeds into the ocean. Using ocean-bound plastic reduces the risk of endangering marine life and ecosystem with plastic waste.
	Post-industrial recycled steel: Small Form Factor Plus: 50% Small Form Factor: 50%	New for 2024! Incorporating recycled steel helps minimize the usage of virgin material and related mining activities, while re-purposing waste that would have ended up in landfills (Available for select OptiPlex tower configurations).
ECO-LABELS ¹	Recycled or renewable materials - packaging Small Form Factor Plus: at least 90% Small Form Factor: at least 90%	Using recycled or renewable materials lowers waste and helps lower environmental impact. Materials may include recycled content and/or renewable content, in the form of sustainably forested fibers.
	EPEAT Climate+™ Small Form Factor Plus: Yes Small Form Factor: Yes	This is a product level designation for EPEAT-registered products which meet certain climate-related criteria. 100% of OptiPlex desktops have achieved the reputable EPEAT Climate+ designation.* Source: Windows OS only. Based on internal analysis and products launched in CY23. EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. Data as available in September 2023
	EPEAT Small Form Factor Plus: Gold Small Form Factor: Gold	Meeting environmental criteria of globally renowned eco-labels, our customers can trust Dell's sustainability efforts and see how our products adhere to energy-efficiency specifications and other climate-related standards. Product registry: https://www.epeat.net/
	TCO Certified, Gen 9 Small Form Factor Plus: Yes Small Form Factor: Yes	World-leading sustainability certification for IT products. Product registry: https://tccertified.com/product-finder/
	Energy Star 8.0 Small Form Factor Plus: Yes Small Form Factor: Yes	Energy Star 8.0 is a specification recognizing the most energy-efficient PC's, backed by Environmental Protection Agency (US).
MULTI-PACK SHIPPING ¹	Dell Multi-pack Small Form Factor Plus: Yes Small Form Factor: Yes	Dell Multi-pack offers a simpler, more efficient unboxing experience with less packaging waste and better pallet optimization for transportation
ASSET RECOVERY SERVICES ⁶	Asset Recovery Services Small Form Factor Plus: Yes Small Form Factor: Yes	Asset Recovery Services helps you resell, recycle or return-to-lease your legacy IT equipment in a secure and sustainable manner, while unlocking value that can be put towards future innovation.
GLOBAL COMPLIANCE REGULATORY ^{4,5}	US CEC MEPS compliant configurations available; Australia and New Zealand MEPS compliant configurations available; CEL, WEEE, Japan Energy Law, South Korea E-standby, EU RoHS, China RoHS/China RoHS

Dell Optimizer, our AI-based optimization software, learns and responds to the way you work providing improved application and device performance, clearer audio and more.

Learn more: Dell.com/Optimizer

FEATURE	TECHNICAL SPECIFICATION	DESCRIPTION
MODEL NUMBER ¹	OptiPlex Small Form Factor Plus and OptiPlex Small Form Factor (available for all configurations)	
DELL OPTIMIZER (INCLUDED)	Application Optimization	Machine learning models designed to improve foreground application performance and boost overall application responsiveness when PC is under high CPU utilization from concurrent workload activities.
	Power Optimization	Choice of settings (optimized, cool, quiet, ultra performance) to balance PC performance and fan noise. Will also provide critical firmware alerts and notifications.
	Intelligent Audio	AI-based neural noise technology removes intrusive sounds, echos, and reverb caused by room acoustics from all ends of conference calls as well as mutes all background noises when no speech is detected. Will also provide automated tuning for optimized sound quality and on-screen notifications if voice quality drops in conference calls.
	Presence Detection	Requires the optional 5MP IR Camera, available only for OptiPlex Plus configurations. When used with an external device with a compatible sensor, Keep Alive will prevent screen from turning off, Walk Away Lock will turn off screen and lock system, and Wake on Approach will awaken system, all based on user presence, providing screen privacy while conserving energy consumption.
	Network Optimization	Automatically switches to the best available Wi-Fi network when congestion is detected and uses multiple wired or wireless network connections to transfer data and improve download speed. Allocates the maximum bandwidth to conference application when you are on a call and allows you to prioritize which applications receive the most bandwidth when the network is congested
	Intelligent Ecosystem	Convenient access to Dell Peripheral Manager and Dell Display Manager for customization settings and controls for your Dell Peripherals and your Dell Monitor.

Improve fleet-wide security with hardware and software protections from Dell Trusted Workspace.

FEATURE	TECHNICAL SPECIFICATION	DESCRIPTION
MODEL NUMBER ¹	OptiPlex Small Form Factor Plus and OptiPlex Small Form Factor (available for all configurations)	
HARDWARE AND FIRMWARE (INCLUDED)	Dell SafeBIOS	Verify the integrity of the BIOS with tamper detection and secure, off-host BIOS image capture.
	Dell SafeBIOS Indicators of Attack	Early-alert feature scans for behavior-based threats. Telemetry integration with popular third-party security and endpoint management solutions, e.g., Microsoft Intune, CrowdStrike, Splunk.
	Dell SafeBIOS CVE Detection	Identify and address common vulnerabilities and exposures (CVEs) for the BIOS and patch devices swiftly. *Available early 2024.
	Dell Trusted Device Application	Software that generates insights into the security state of a platform, monitoring changes to BIOS attributes, detecting possible tampering of BIOS firmware, and more.
	Chassis intrusion switch	Remotely detects hardware tampering and is integrated with Dell SafeBIOS Indicators of Attack.
	Kensington Security Slot™ (T-bar)	Device locking option helps reduce the risk of a data breach. Standard slot that can be paired with a standard security cable lock.
	SPI Flash Tamper Detection Circuit	Detects and prevents tampering with BIOS SPI flash chips on the motherboard.
HARDWARE AND FIRMWARE (OPTIONAL)	Dell SafeID	Secure end-user credentials with a unique hardware-based security solution to store and process user credentials. Credential security options vary by device.
	Dell Secured Component Verification	Provides assurance that the device and its components remain secure from factory to first boot.
	Tamper-evident packaging	Detect tampering with this supply chain assurance offering. Available in US and Canada only.
	Hard drive wipes	Sanitize the hard drive in accordance with National Institute of Standards and Technology (NIST) guidelines with this supply chain assurance offering. Available in US and Canada only. US and Canada only.
	Intel ME Verification	Verify the integrity of critical firmware using a secure off-host source. Requires Intel vPro®.
OPAL drive / Self-encrypting drive (SED)	Hardware-based full disk encryption that protects user data without storing encryption keys in RAM where it can be accessed by malicious parties.	
SECURITY SOFTWARE (OPTIONAL)	Dell SafeGuard & Response: CrowdStrike, VMware Carbon Black, Secureworks	Threat detection, response and remediation
	Dell SafeData: Absolute	Self-healing for endpoints, applications and networks
	Dell SafeData: Netskope	Cloud and network data protection
	McAfee Business Protection	Simple, automated, all-in-one security made for small businesses

Securely manage & optimize your endpoints and deliver end-user productivity with Dell Manageability Solutions.

FEATURE	TECHNICAL SPECIFICATION	DESCRIPTION
MODEL NUMBER ¹	OptiPlex Small Form Factor Plus and OptiPlex Small Form Factor (available for all configurations)	
MANAGEABILITY SOLUTIONS (INCLUDED)	Dell Client Command Suite	Streamline how you deploy drivers, configure BIOS, monitor devices, and manage updates.
	Dell Trusted Update Experience	Simplify how you update your endpoints with latest BIOS, driver, and firmware versions.

Modernize IT with comprehensive lifecycle services and support.

Learn more: Dell.com/support

FEATURE	TECHNICAL SPECIFICATION	DESCRIPTION
MODEL NUMBER¹	OptiPlex Small Form Factor Plus and OptiPlex Small Form Factor (available for all configurations)	
SUPPORT SERVICES (OPTIONAL)^{5,6}	ProSupport for PCs	Hardware break/fix with next business day service, 24x7 in-region technical support on hardware and software issues. Includes access to SupportAssist for proactive issue resolution and AI-powered fleet insights.
	ProSupport Plus for PCs	Hardware break/fix with next business day service, 24x7 priority access to in-region technical support for hardware and software issues PLUS Accidental Damage coverage, Keep Your Hard Drive and a Service Account Manager (with 500 devices). Includes access to SupportAssist for proactive and predictive automations and AI-powered fleet insights.
	ProSupport Flex for PCs	Flexible options to supplement in-house IT (1,000 device requirement) - Hardware break/fix with next business day service, 24x7 in-region technical support on hardware and software issues and a Service Account Manager plus the OPTION to choose Accidental Damage coverage or Keep Your Hard Drive. Includes access to SupportAssist for proactive and predictive automations and AI-powered fleet insights.
DEPLOY SERVICES (OPTIONAL)⁶	ProDeploy Flex for Client	ProDeploy Flex allows customers with specific deployment needs to mix and match standardized options to fit their needs.
	ProDeploy Essentials for Client	From initial PC setup and preparation to data transfer, whether remote or onsite, ProDeploy Essentials is geared toward limited interruption for the end user.
	ProDeploy for Client	ProDeploy partners with IT to apply common customization of hardware settings and software so systems meet IT specifications for security, software and network protocols.
	ProDeploy Plus for Client	With ProDeploy Plus, we bring it all together to take care of end-user needs and efficiently meet IT specifications while working with IT teams to plan, configure and deploy systems that are ready-to-work, using modern solutions.
	Asset Recovery Services	Asset Recovery Services helps you resell, recycle or return-to-lease your legacy IT equipment – regardless of brand or leasing agency – in a secure and sustainable manner, while unlocking value that can be put towards future innovation. And if you do it when assets are at their maximum value, you can transition to what's next with more money in your pocket.
	Logistic Services	Warehouse your products at our facility for up to 180 days and take delivery on the day and time that best meets your needs. Schedule your IT resources to be in place when you need them – on the exact day the new systems arrive. Available in NA, EMEA and APJ.
	Configuration Services	Image Load, Asset Tag, BIOS Customization, HDD Partitioning, Software Installation, Laser Etch, Data Security.
MANAGE SERVICES (OPTIONAL)⁶	Lifecycle Hub	Combines warehousing and inventory management with configuration services and deployment expertise into one end-to-end solution. With included return, repair, and refurbishing services, Dell Lifecycle Hub helps keep employees working, maximizes use of device inventory and frees up IT resources to focus on business priorities. Available in US, Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, Netherlands, Poland, Portugal, Slovakia, Spain, Sweden, UK.
	Managed Detection and Response Pro Plus	A fully-managed, 360-degree security operations solution designed to prevent threats, quickly detect and contain attack attempts, and help recover your IT environment in the event of a breach.

Product Disclaimers/Citations

OptiPlex Small Form Factor [Gen ID: 7020]

Cover page

1. **Dell has the industry's most secure commercial PCs** - with built-in below the OS security features that our competitors cannot match. Based on Dell internal analysis, September 2023. Applicable to PCs on Intel processors. Not all features available with all PCs. Additional purchase required for some features.. Do not use in China, Colombia, or Guatemala
2. **Dell has the industry's most intelligent commercial PCs** - Based on Dell analysis, November 2023. Dell Optimizer not available in OptiPlex 3000 series, Latitude Chromebook Enterprise, and Linux-based devices. Feature availability and functionality may vary by model. For more details visit: <https://www.delltechnologies.com/asset/en-us/solutions/business-solutions/technical-support/dell-optimizer-features-availability-matrix.pdf>.external
3. **Dell has the industry's most manageable commercial PCs** - Based on Dell internal analysis, January 2024. Details: Most manageable commercial PC when comparing the systems management capabilities of Dell Update Processes, Dell Manageability Solution capabilities and integrations with 3rd Party Management Solutions, with competitor update processes, systems management solution capabilities and integrations with 3rd party management solutions. 3rd Party Management Solutions - Microsoft Intune, Workspace ONE, are separate purchases. Intel vPro, to support out-of-band systems management, is an additional system configuration upgrade.

1. **Dell has the industry's most secure commercial PCs.** (Claim details: Cover page - #1)
2. **Dell has the industry's most intelligent commercial PCs's.** (Claim details: Cover page - #2)
3. **SSD consumes less power and runs cooler** as compared to HDD (Hard Disc Drive) since Solid-state drives (SSDs) have no moving parts, whereas hard disk drives (HDDs) have spinning disks. As a result, HDDs consume more power and generate more heat than SSDs. Source: Consumer Hardware, June, 2023. **DDR5 offers 2x memory speed and reduced voltage**, as compared to its predecessor, DDR4 RAM) Source: Tech Hardware, May 2023; **USB-C offers faster device charging and efficient USB Power Delivery.** Source: How to Geek March 2023.
4. **Dell is the world's #1 monitor company.** Source: IDC Worldwide Quarterly PC Monitor Tracker, Q2 2023. From 2014 to 2022.
5. **Less than 1% of OptiPlex** desktops experience a first-year service event. Source: Based on Dell Quality Intelligence (QI) tool - Dell Internal Analysis, August 2023. Details: When quantifying Dell FY19-FY24 YTD through August 2023; whereby "service event" is indicated by Dell facilitating 1.) part replacement or 2.) service technician dispatch for repair.
6. **Most Manageable Commercial PC.** (Claim details: Cover page - #3)
7. **Customize your PC thermal / fan settings to work your way in Optimized or Quiet mode.** Source: Based on internal Dell analysis, January, 2024, final benchmarks pending. Details: Quiet mode is designed to index PC performance on quieter acoustics and energy conservation for your SFF. Experience up to 39% gen over gen improvement in acoustics with new OptiPlex SFF Plus and OptiPlex SFF. (CY23 default vs CY24 Quiet mode).
8. **OptiPlex Small Form Factor is made with up to 39% Post-consumer recycled plastic (PCR)** and closed loop ITE derived plastic Source: Based on Dell internal analysis, February 2023. Percentage is of total plastic weight in product and may vary by model.
9. **OptiPlex Small Form Factor is designed with up to 50% recycled steel** in select tower configurations. Percentage applies to total steel weight in the chassis. Includes OptiPlex Micro, OptiPlex Micro Plus, OptiPlex Tower, OptiPlex SFF and OptiPlex SFF Plus. Based on Dell internal analysis, December 2023.
10. **OptiPlex Small Form Factor ships with at least 90% recycled or renewable packaging**, in the form of sustainably forested fibers. Percentages may vary slightly by region. Excludes optional items added to order and included in box.
11. **Ship multiple products in a single package with Dell Multipack**, Applies to OptiPlex Micro, OptiPlex Micro Plus, OptiPlex SFF, OptiPlex SFF Plus, OptiPlex Tower and OptiPlex Tower Plus. Based on internal analysis, December 2023.
12. **OptiPlex Small Form Factor is certified ENERGY STAR® 8.0, carries TCO Generation 9 certifications and is EPEAT Gold registered with Climate+ designation**, Applies to OptiPlex Micro Plus, OptiPlex SFF, OptiPlex SFF Plus, OptiPlex Tower, OptiPlex Tower Plus, OptiPlex AIO 35W and OptiPlex AIO Plus. Based on internal analysis, October 2023. Based on EPEAT Climate+ Designations achieved in all applicable countries. EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status and tier levels. See Owner's manual for eco-label conditions.

1. **OptiPlex Small Form Factor is made with up to 39% Post-consumer recycled plastic (PCR)** and closed loop ITE derived plastic. (Claim details: page 1.8)
2. **OptiPlex Small Form Factor is designed with up to 50% recycled steel** (Claim details: page 1.9)
3. **OptiPlex Small Form Factor ships with at least 90% recycled or renewable packaging.** (Claim details: page: 1.10)
4. **Ship multiple products in a single package with Dell Multipack.** (Claim details: page 1.11)
5. **Multipack packaging is designed with 100% recycled or renewable corrugate.** Based on internal analysis, February 2022. Renewable material in the form of FSC paper fibers.
6. **OptiPlex Small Form Factor is certified ENERGY STAR® 8.0, carries TCO Generation 9 certifications and is EPEAT Gold registered with Climate+ designation** (Claim details: page 1.12)
7. **Asset Recovery Services is conveniently available** stand-alone or part of Dell APEX, Lifecycle Hub and ProDeploy Client Suite, offered in 35 countries.
8. **Customize your PC thermal / fan settings to work your way in Optimized or Quiet mode.** (Claim details: page 1.7)

Page 3 AI-enabled solutions

1. **Dell has the industry's most intelligent commercial PC's.** (Claim details; Cover page - #2)
2. **Copilot in Windows, get better answers, grow your skills, and effortlessly optimize workflows.** Details: Timing of feature delivery and availability varies by market and device. Use Copilot with a Microsoft Account or use Copilot with commercial data protection at no additional cost by signing into a work or school account (Microsoft Entra ID) with Microsoft 365 E3, E5, F3, A3 or A5 for faculty, Business Premium, and Business Standard. Coming to more Entra ID users over time.
3. **Minimize user downtime and IT admin hours.** Source: Based on Dell internal analysis, December 2023. Detailed requirements:
 - Optional ProSupport Plus for PCs or ProSupport Flex is required to automate support tasks, detect and deploy fixes
 - Optional SupportAssist for Business PCs, enabling the "Dell Trusted Device module" and activating a TechDirect account for your company, are required to view security scores for your fleet via TechDirect.

*Based on Dell internal analysis, September 2023. Applicable to PCs on Intel processors. Not all features available with all PCs. Additional purchase required for some features.

**Integrations available for CrowdStrike Falcon Insight XDR and Carbon Black Audit & Remediation.

Page 4 Better together

1. **OptiPlex SFF drives up to (4) displays natively**, OptiPlex Small Form Factor Plus has (3) DisplayPort 1.4a ports supporting up to 4K resolution at 60 Hz; OptiPlex Small Form Factor has (1) DisplayPort 1.4a port supporting up to 4K resolution at 60 Hz and (1) HDMI 1.4b port supporting up to FHD resolution. Please note: connecting more than one display to a single video port will reduce supported resolution. Maximum of 4 monitors supported.
2. Enjoy a near-seamless multi-monitor set up and new levels of comfort with the World's 1st 4-star certified Eye Comfort Monitor: Based off TÜV Rheinland® Eye Comfort certification, August 2023. Monitor certified by TÜV for 4-star eye comfort.
3. **Dell monitors come with:**
 - Advanced Exchange Service: Your monitor comes with a 3-year Advanced Exchange Service3 so that if a replacement becomes necessary, it will be shipped to you the next business day during your 3-year Limited Hardware Warranty. Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies.
 - For copy of Ltd Hardware Warranty, write to Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see <http://www.dell.com/warranty>.
 - The Dell Premium Panel Warranty allows a free panel replacement during the Limited Hardware Warranty** period even if only one bright pixel is found.
 - Upgrade to 24x7 specialized technical phone support with the optional Dell ProSupport.

4. **ProSupport Suite for PCs saves 641 hours of IT admin time per year*** (on recurring tasks for a 1,000-device fleet. *vs. a manual approach based on data extrapolated from hands-on testing). Source: Based on a Principled Technologies test report, "Simplify PC management and save IT admin time with an automated support service," dated September 2023. Testing commissioned by Dell, conducted in the United States. Actual results will vary. Full report: <https://facts.pt/PELu7lm>
5. **Dell Premier offers up to 297% ROI, or return on investment,** over a span of 4 years. Source: Based on a Forrester Total Economic Impact™ Study Commissioned by Dell Technologies and Intel, "The Total Economic Impact™ Of Dell Premier Solutions", August 2021. These findings were aggregated into a 15,000-employee composite organization to create a four-year financial model that calculates the likely ROI a company should expect by adopting Dell Premier. Actual results may vary. Full study <https://tools.totaleconomicimpact.com/go/dell/premiersolutions/>
6. **Dell Technologies has recovered 2.6 billion pounds of electronics since 2007.** Source: Based on Dell internal analysis of publicly available data, April 2023.

Technotes:

1. Not all technical specifications available per system configuration. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Owner's Manual published on www.dell.com/support.
2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.
3. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.
4. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.
5. On-site service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.
6. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicesdescriptions.
7. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information www.dell.com/support/home/us/en/19.

Technical specifications subject to change without prior notice. Product availability varies by country. Please contact your Dell representative for more information.
